- The Joining Fee is 4000 Euro (+ VAT where applicable) and is payable by all prospective members. The Joining Fee recognises the considerable body of work already achieved by the founding organisations.
- The Membership Fee is 5000 Euro (+ VAT where applicable) per calendar year (January-December). Organisations joining in the second half of the year can obtain a reduction in their first year's Membership Fee of 50% (from July) or 70% (from October) on the condition of committing to membership for the following year in addition.
